I would like to receive a print subscription to ASEE PRISM for \$25/year: YES NO

Return completed application to membership@asee.org

As a Life Member, you will pay no national ASEE dues, and have access to all publications and services on-line. You may elect to receive a hardcopy of ASEE Prism for \$25/year. You'll also enjoy a significantly reduced registration rate at the Annual Conference and Exposition. You are still required to pay division dues if you belong to any dues-charging divisions. You can subscribe to print versions of either/both *Journal of Engineering Education* or/and *Profiles of Engineering & Engineering Technology Colleges* for only \$25/year each at your next annual renewal.
