

General Business Meeting, Civil Engineering Division

June 26, 2016

11:30 am – 1:00 pm

1. **Welcome and Call to Order.** Meeting was called to order at 11:30 am by Kevin Hall. Meeting agenda was approved and introductions made.
2. **Review of Past Meeting Minutes.** 2015 General Business Meeting and Executive Board meeting minutes were reviewed. Ron Welch motioned for approval. Kevin Sutterer seconded. Motion passed unanimously.
3. **CE Division Leadership.** Kevin Hall reviewed Attachment 1 and Attachment 2 and noted items for discussion and to be addressed.

3.1. Motion to Suspend Bylaws for the Election of Officers. Kevin Hall explained that the process for CE Division elections was not followed this past year. Attachment 3 was reviewed to identify important dates and deadlines. To have new officers, the Bylaws must be suspended to conduct the elections. Norm Dennis made a motion to suspend the bylaws. Steve Ressler seconded. Vote was unanimous in favor. No discussion.

3.2. Election of New Officers for 2016. Kevin Hall noted the regular rotation of officers will take place. He reviewed the Bylaws. Two changes were noted - Steve Burian was proposed to be listed as candidate for Freshman Director and Tonya Nilsson was proposed to be listed as the candidate for Secretary-Treasurer. With these changes the slate of candidates would be presented for vote. The vote was unanimous in favor. No further discussion. The following lists the approved slate of candidates as noted in the meeting agenda:

Proposed Officers for 2016-2017 (**boldface** indicates positions which must be elected)

Chair:	Brock Barry	<i>current Vice-Chair</i>
Vice Chair/Program Chair:	Sean St. Clair	<i>current Senior Director</i>
Secretary-Treasurer:	Tonya Nilsson	<i>New Candidate</i>
Senior Director:	Andrea Welker	<i>continuing from Mid-Term Dir.</i>
Mid-Term Director:	C. J. Riley	<i>continuing from Freshman Dir.</i>
Freshman Director:	Steve Burian	<i>New Candidate; current Sec-Treas</i>

3.3. Changes to the Executive Board. Kevin Hall presented the re-appointment of Ron Welch as The Historian. The appointment carries a 5-year term. Ron Welch's term expires in 2016. Matt Lovell was noted to be in his third year as editor of the newsletter.

4. PIC I Report. No discussion. Meeting in afternoon.

5. Conference Overview.

5.1. Conference Highlights. Brock Barry provided an updated, and highlighted the consideration of Andrea Welker's paper for a diversity award. Brock thanked the 27 moderators and numerous other contributors. He also thanked sponsors including the University of Alabama, Department of Civil, Construction and Environmental Engineering and Mississippi State University Department of Civil and Environmental Engineering.

5.2. Treasurer's Report. Steve Burian presented the Treasurer's Report (attachment 4), which indicated the revenue, expenses, and account balances since 2009 for the Civil Engineering Division Operation Account and BASS account. There was a question from the membership about the difference between accounts. One important difference is the Operational Account must be spent down every year. The BASS account is where the vast majority of revenue are deposited and expenses withdrawn. Matt Roberts questioned the administrative fee for the BASS Account, which is currently a 30% fee of all deposits/revenues. It was noted that this fee is only for new revenue. A discussion ensued on the challenges of ASEE financial footing and the reasoning that went into the decision for the fee. Steve Burian indicated that this fee is under discussion at ASEE, and the rate may change in the future (likely to be reduced).

5.3. PIC I business meeting report. No discussion. Meeting in afternoon.

5.4. ASCE Committee on Education. Leslie Nolen presented one sheet (see Attachment 5). She highlighted the Walt Lefevre Award for teaching ethics. Kevin Hall noted that Norm Dennis is stepping down as chair of the ASCE Committee on Education (COE). Camilla Saviz was introduced as the new Chair. Kevin Sutterer provided his update as member of the COE, and noted key discussion items on ExCEED, new ABET criterion, concern for ASEE Sunday sessions scheduling, formation of BOK3 task committee (Ken Fridley will be chair, Leslie Nolen will be ASCE staff person), and liaison assignments. Jim O'Brien indicated charge of BOK3 committee will be to determine if BOK3 is necessary at this time. Steve Ressler presented that Tom Lenox and he are representatives to the ABET governance process, and they are open to CE Division members bringing thoughts and opinions for them to raise with ABET for discussion. The ASEE town hall meeting at the ASEE conference was described by Steve Ressler and the public position of ASCE was noted as available.

6.3. Membership Committee Report. Andrea Welker presented several graphs showing membership. She noted that the CE Division is holding steady in the 550-575 members range. PIC 1 has been declining. Andrea also explained that breaking down the information further is difficult given that info from ASEE that would indicate demographics and underlying reasons for changes in membership numbers is lacking. The discussion focused on the Engineering Dean's program and its potential impact.

6.4 Newsletter Report (Matt Lovell). Matt requested session reports from all Moderators so they could be included in the newsletter. Photos also requested.

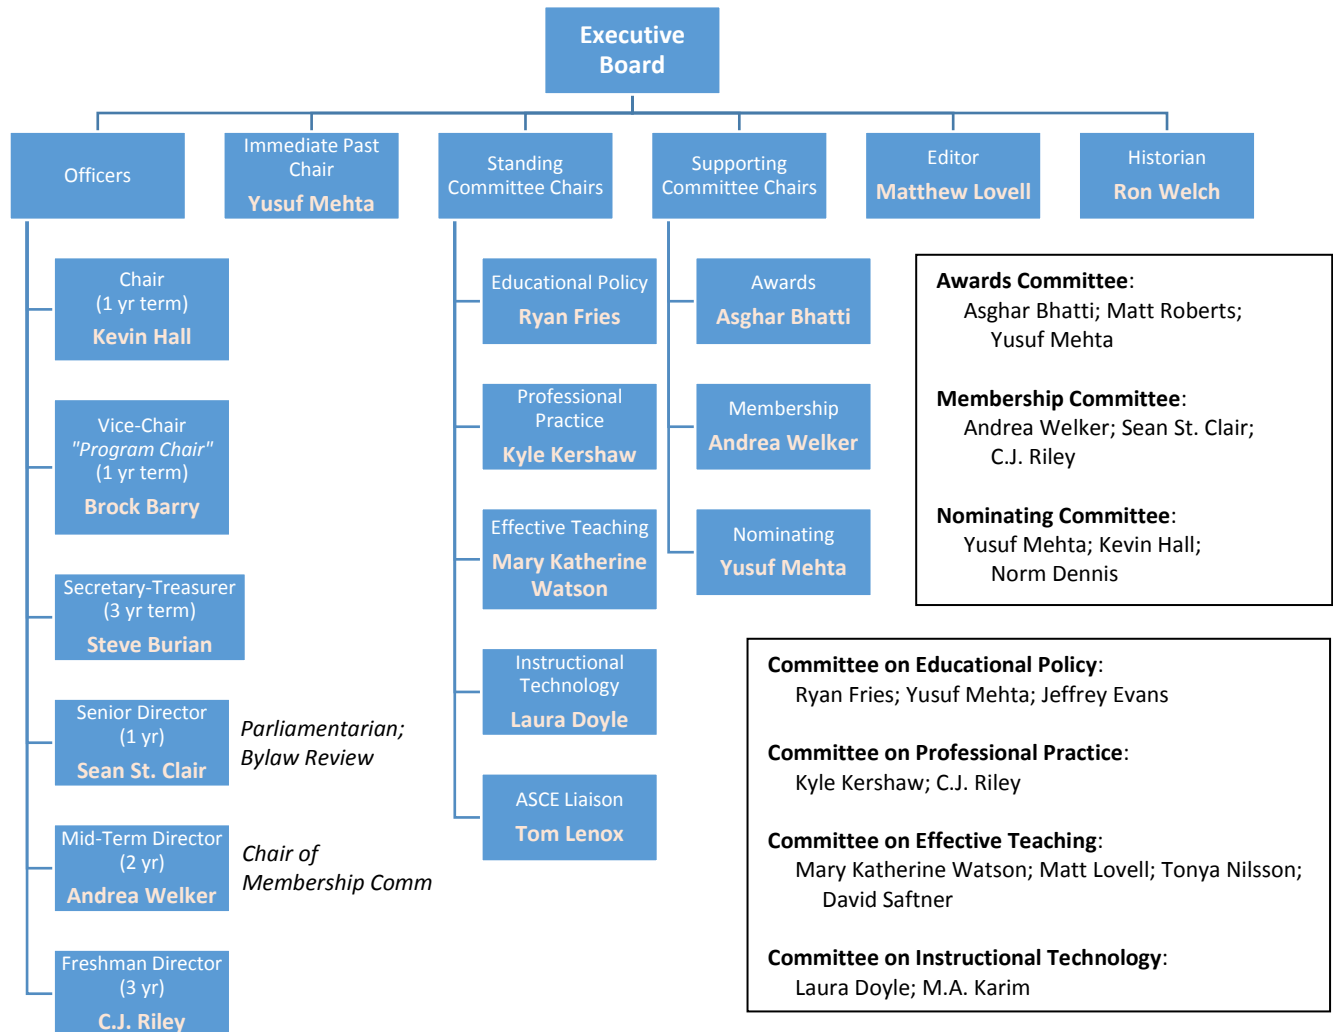

7. **Proposed Changes to Bylaws (Attachment 6).** Sean St. Clair described details in Attachment 6. Sean noted that Proposed Change 1 was already passed and is included for informational purposes. Tom Lenox explained Proposed Change 2 and the need to include a liaison to ASCE Committee on Education (COE) on the Executive Board of the CE Division of ASEE. Each change was reviewed and discussed. Sean St. Clair made a motion to accept Change 2. The motion was seconded by Mark Kilgore. The vote was unanimous in favor of approval. Sean made a motion for Change 3. It was seconded by Kristen Sanford-Bernhardt. The vote was unanimous in favor of approval. Sean St. Clair made a motion for Change 4. It was seconded by Ron Welch. The vote was unanimous in favor of approval. Sean St. Clair made a motion for Change 5. It was seconded by Shashi Nambisan. The vote was unanimous in favor of approval. The Chair shall summarize the changes to finalize the bylaws.

8. **Historian Report (Attachment 7).** The Historian, Ron Welch, presented his report. It highlighted the Division's historical files are being compiled and made available in PDF format on the web site along with other information about past division chairs, award winners, and so on. Ron administered the CE Division Historical Quiz.
9. **Nominating Committee.** Brock Barry noted the Appointment of the Vice Chair to the Nominating Committee. Thus, the appointed committee for this year is Kevin Hall, Brock Barry, Kevin Sutterer.
10. **Announcements.**
 - a. **ASEE Code of Conduct.** Discussion led by Kevin Hall about the proposed ASEE code of conduct. It was noted that ASEE should expect professional behavior, rather than having a Code of Conduct with a laundry list of expected behaviors. Jim O'Brien noted the ASEE Code of Ethics covers many of the items being discussed.
11. **Other Business.** None.
12. Meeting adjourned at 12:50 pm.

Attachment 4 Treasurer's Report

Below is a summary of our BASS account since 2009. Notes/conclusions:

- Revenue is from field unit dues, contributions, and other revenue
- Expenses are from banquet, RAP Session, and awards
- The plot below shows the BASS and Operating Account. The Civil Eng account is always small and is drawn to zero each year: for the past three years it has been around \$600
- There was a significant decline in balance in 2014-2015 due primarily to the expenses from activities at the ASEE Annual Conference in Seattle. In particular, it seems a rare year when the RAP session was not sponsored. We are therefore below our 2014 account balance, but above the 7-year average balance, and seeing a recovery in 2015-2016
- Still pending: ticket sales, banquet expenses, awards, and other 2016 revenue and expenses from the Annual Conference in New Orleans

Attachment 6 Summary of Proposed Bylaw Changes

Change 1

Section 1.9 (New Addition) -- *passed in 2015 Business Meeting; has not been officially added.*

[new text] 1.9 the fostering of a diverse and inclusive profession.

Proposed Change 2

3.2 Administration

The Division shall be administered by an Executive Board composed of the officers, the Immediate Past Chair of the Division, the liaison member to the ASCE Committee on Education, ~~and~~ the Chairs of the Standing Committees and Supporting Committees, the Editor, and the Historian.

Rationale for modifying Section 3.2:

Before a change was approved to the Division Bylaws in June 2014, the liaison member to the ASCE Committee on Education (COE)* was the Division Chair taking office in an odd numbered year. The term of the appointment was two years. As such, before June 2014, the liaison to ASCE's COE/EdAC was automatically a member of the Division's Executive Board. In June 2014, Section 4.1.5 of the Bylaws of the CE Division was changed to state: *"The liaison member to ASCE COE will be a past Chair of the Civil Engineering Division of ASEE."* The term of the appointment is three years. As such, the current liaison member to ASCE's COE may not necessarily be a member of the Division's Executive Board. For example, Kevin Sutterer, the current liaison member to the ASCE COE, is not a member of the Division's Executive Board. To accomplish his/her duties properly, the liaison member should be an active and full member of BOTH the Committee on Education of ASCE AND the Executive Board of the CE Division of ASEE.

*Note: COE was previously named the ASCE Educational Activities Committee (EdAC)

Proposed Change 3

8.1.3.4 The Glen L. Martin Practitioner Service Award is awarded to an engineering practitioner for distinguished service to or support of civil engineering education. While the recipient can be a former faculty member, the distinguished service for this award must occur over a period of time when the recipient served as an engineering practitioner in a position not normally held by an engineering educator. Nominations are due by February 1st of the award year and can be submitted to the Chair of the Awards Committee by any individual, committee, or organization; however, at least one individual of the nominating group must be a member of the Division. Self nominations are not accepted. The Award consists of an engraved plaque and a complimentary ticket to all CE Division social events at the ASEE annual conference at which the award is presented.

Rationale for modifying Section 8.1.3.4:

The Glen L. Martin Practitioner Service Award is the only CE Division award that requires a formal written nomination by an individual, committee, or organization. It is important that the annual deadline for nominations be clear, consistent, and transparent to the Division's membership. As such, the nomination deadline should be established in writing in an authoritative and public document of the Division.

Attachment 6
Summary of Proposed Bylaw Changes
(continued)

Proposed Change 4

5.2.8 Conduct the election by sending ~~the a~~ ballot ~~notification~~ to all Division members ~~via the Division e-mail listserv~~. Eligible voting Division members will be given at least fourteen (14) days to cast their votes. Division members will be sent a reminder to cast their votes as the voting deadline approaches.

Rationale for modifying Section 5.2.8:

The proposed change provides flexibility in the balloting/voting process. Specifying the exact procedure by which the election is to be conducted eliminates alternative means – particularly regarding the use of ‘polling-type’ software which tabulates ballots automatically.

Proposed Change 5

Referring to the election process...

5.1.2 Submit a list of eligible nominees to the Division Chair by September 30th.

Referring to the duties of the Nominating Committee

8.3.1 Be appointed by the Vice-Chair at the annual Business Meeting and be made up of the Immediate Past Chair, the current Chair, and an active Past Chair. The Vice-Chair-Elect shall be an ex-officio member. The Past Division Chair shall serve as the Nominating Committee Chair and shall provide a written report to the Division Chair by ~~October~~September 30.

Rationale for modifying Section 8.3.1:

The proposed change streamlines the reporting requirements for the Nominating Committee, by establishing one reporting date/deadline.

The Historian's Report

Civil Engineering Division ♦ New Orleans, LA ♦ June 26, 2016

CE Division's Historical Files

The Historian maintains many administrative documents (agendas, minutes, and treasurer reports), past newsletters, and approximately 50 copies of the booklet *ASEE Civil Engineering Division – Divisions Chairs 1935-1993*. These files are fairly complete for the period from 1975 to the present. There are no documents on file for any date prior to 1975. And the Historian maintains a database of Division Officers and award winners between 1975 and the present – available upon request.

Inventory of Division Newsletters

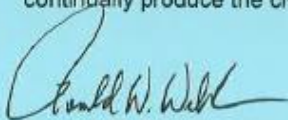

Our semiannual newsletters are a valuable source of historical information. In 2006, we scanned our entire inventory of past newsletters into PDF files. This inventory has been continually updated since 2006, and was maintained on a website by our past Webmaster, but has been moved to the ASEE website.

ASEE Civil Engineering Division – Divisions Chairs 1935-1993 and Beyond

Single copies of *ASEE Civil Engineering Division, Division Chairs, 1935-1993* will be distributed free of charge to any Division member upon request. I have 10 copies set aside for historical purposes. To supplement *Division Chairs, 1935-1993*, The Historian has been collecting the pictures and biographies of all Division Chairs for the years since 1993. We have obtained a short biographical sketch and an acceptable head-and-shoulders color picture from all of our Past Chairs between 1993 and 2016. This document has been posted as a more "dynamic – i.e., COLOR" Division Chairs document to the Division web site. So **CHECK IT OUT!**

Special Thanks to our Division members!

We are blessed by having many long term members who have served our division in so many capacities. As you will note from the trivia questions, many of our past leaders have retired or stopped participating in our annual conference. Please help me congratulate all of our long-standing members who were part of division activities prior to 2003! Let's celebrate our future by asking those that have been participating since 2008 to be recognized! All of us must reach out to our CE faculty peers and get them involved both at the regional and national level of ASEE! Just as Tom Lenox has been the strongest supporter/worker within our division, we must mentor others as they have mentored so many of us to ensure we have a terrific Division with great programs, engaged members, and outstanding leaders. May we all continue to "Raise the Bar!" There is still much work to be done to continually produce the civil engineering leaders of tomorrow.
